PRODUCT DESCRIPTION
150W CCR LED Canopy Light in a powder coated aluminium enclosure and anodized extruded aluminium housing with prismatic diffused UV resistant cover. The LED canopy light is a locally developed OEM design to replace the 400W conventional HID canopy light awarding the user with up to 65% energy cost savings and extended lifetime benefits. New CCR driverless technology eliminating the need for third party drivers. There is 100% output the moment the light is switched on, no warm-up or strike delays.
Surge and Lightning Protection Replaceable Fuse
